FOR AFFILIATES

What Stoic Vault is

Stoic Vault is a guided writing vault on AuthorVault for practical Stoicism non-fiction on Amazon KDP. The path is concept, then book bible, then chapters, then KDP assets.

It is not an academic classics edition. It is not a Custom GPT with a new name. The workspace is a real vault: chapters, manuscript, cover tools, and export. It is the simple niche book-writing bot, not the heavy Studio + Auditor stack.

The buyer still edits. The buyer still publishes. The vault drafts. It does not replace the author's judgment, and it does not put the book on Amazon by itself.

Who it is for

Mail this to KDP lists, not to philosophy readers. Your list does not need to be Stoicism readers. They need a cheap, one-time KDP tool in a clear niche. They do not need a philosophy degree, and the email does not need Marcus Aurelius trivia.

The sentence they can grasp: practical Stoicism books for Amazon KDP. Short, useful non-fiction. Resilience, clarity, and ancient ideas that work in real life, in plain English. The sales page carries the rest.

What you do not add

Do not add medical claims, therapy claims, income claims, or a line that this replaces a clinician. Not in the email. Not as a reason to buy. The swipes below stay inside the product. Use them as written, apart from [AFFILIATE LINK] and [YOUR NAME].

Affiliate bonus pack

Three PDFs, for affiliates to download and offer to buyers who purchase Stoic Vault through their link during the 5–9 October 2026 launch window. They are not the order bump and not the add-ons. Do not rebuild the keyword sets, blurb templates, pen-name kit, BookTok scripts, or premium prompts as a free bonus.

PDF

Stoic Angle Sheet

Eight practical book angles. One sentence on the reader problem, one on the practice. A picker, not keywords.

PDF

Chapter Spine Checklist

A repeatable short-chapter spine, plus a blank page to print once per chapter. The author still edits.

PDF

Claim-Safety Card

What not to claim: not medical advice, not therapy, not income results, not a replacement for a clinician. Short do and don't lines.

Live bonus page:

<https://authorvault.co/stoic/jv-bonuses.html>

Files on that page: stoic-angle-sheet.pdf, stoic-chapter-spine.pdf, stoic-claim-safety.pdf. Download them and offer them to those buyers. How you deliver the files is yours. This page is the download.

Reciprocity

When you mail for me, I mail for you. Reach out and we can talk about your own launches.

I am building long-term JV relationships with people who show up. Not drive-by affiliate spam.
